Hidden Paradise — Paraiso Escondido

News From RBR ~ Noticias de RBR

Dear Friends of RBR:

Hello again from Hidden Paradise! RBR welcomed in the New Year with our friends from the cities in Nicaragua and the States. It was a great seafood feast, featuring our garlic lobster, shrimp ceviche, fresh red snapper, and of course, fireworks and champagne on the beach at midnight. Thanks to everyone who made the trip to us, including our favorite "Magnolias" from the U.S. You made the night extra special.

OUR INTERNET IS UP AND RUNNING AGAIN!

Yes! That's right! Here in Nicaragua, things don't always "jive" with the fast pace of the real world. But with the help of our new satellite provider (nic@net) we are back in business. If you are on FaceBook, go to Stacy J Sabo to become a friend and see some new pictures and weekly updates of our adventures. Remember our **email addresses**: the general email (linked in from the websites RBRMechapa.com and RedwoodBeachResort.com) remains info@RBRMechapa.com. Our new **Marketing Director, Jahaira**, always answers your emails quickly, so drop her a note and ask about availability and specials for your next trip. Email Mike & Stacy direct at StacyJSabo@hotmail.com.

In addition to our All-Inclusive package and Special Internet Package, we now offer a **Special Cabana Only Rate**....only \$90 for your oceanfront cabana. This includes a continental breakfast. We still offer our Adventure Tour items, like horseback riding to the top of Volcano Cosiguina, kayaking with Ibis Tours at the Estero Padre Ramos, motorcycle rental, motorcycle/quadcycle rentals, and ocean fishing excursions. Email us for more information and to make a reservation and we will be happy to help you find your way to The End of The World in Nicaragua. Mention this Newsletter and get an additional discount!

Semana Santa, Easter Week, was a success and we send a special thanks to Enrique Gasteazoro for helping plan the event.

One of our new projects is an **Organic Garden** near the Lime and Guavana Orchards. Ramone has been working with Stacy to get our variety of tomatoes, peppers, swiss chard, and jalapenos off to a great start. Wish them luck, Stacy's green thumb is, well, not so green.

ACCOMMODATIONS

At the hotel, we have been working hard remodeling all of the cabanas with new ceilings inside and out and re-varnishing. Thanks to Antonio and his brothers for all of their hard work and dedication, and especially to Rob and Linda for making it all happen so quickly.

Due to demand from one of our frequent guests (you know who you are, Enrique!) we've installed **hot water** in Cabanas 1 and 2. All 6 oceanfront cabanas still have air conditioning, even though you'll probably just leave the French doors open and enjoy our ocean breezes!

We have also opened up the **Oceanfront Ranchos** (thatch roof bungalows) for our backpackers and surfers. The rate for a Rancho starts at just \$10 a night, so if you or someone you know is on a tight budget, RBR can still offer safe & clean accommodations in a breathtakingly beautiful environment.

Dry season is coming to an end, so the nights are getting cooler and the nightly rains and thunder storms over the ocean are a welcome change
